

Memorandum

SECRETARY OF THE SENATE

15 APR -7 AM 10:27

To: Federal Election Commission
From: Braley for Iowa C00541417
Date: 4/4/2015
Re: 30 Day Post-General Report (10/16/2014 – 11/24/2014)

Regarding the two "last minute" contributions received for the 48-hour notices reporting.

Leeds, Sunita 10/16/14 \$1,000: The original contribution was incorrectly entered into our data base system and the error was not found until it was time to file the 30 Day Post-General Report. The data entry error was corrected, but I believe we accidentally did not have the contribution listed in the 48-hour report.

Todd, Michael M. 10/21/14 \$1,000: Dr. Todd's contribution of \$1,000 would have brought him over the allowable contribution limit, and a refund of \$400 was made immediately. We thought since he received a refund, his net contribution was \$600, and therefore did not fall under the 48-hour notice.

I apologize if these two contributions might have been reported incorrectly. We continue to review and improve our procedures.

Sincerely,

Theresa Kehoe
